

A black and white architectural floor plan of a rectangular room. The room is labeled "AUTORIMESSA" in the center. A vertical line extends from the top edge of the room, possibly representing a door or a structural element. At the bottom edge, there is a small rectangular protrusion, likely a door or a utility access point. The room is bounded by thick lines representing walls, and there are additional lines indicating the room's placement within a larger structure.

AUTORIMESSA
